W 104° 58.343"

2 mile

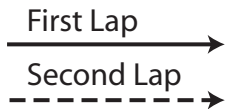

13 yards S of LP 13/50
N 39° 41.890"
W 104° 58.170"

3 mile

32 yards W of LP 17/64
N 39° 41.936"
W 104° 58.339"

FINISH

Edge of parking lot, at light pole

If the course must be split at the south end, due to runners overtaking walkers, cone on the center line, from the white bridge SE of the start, up to the Diagonal on the West side. Use volunteers to tell the walkers to stay to the outside of the road. Also, place "Race in Progress" signs along center line so cyclists riding counter-clockwise will know there will be runners and walkers approaching.
